# ASK MOJO JOJO

## ...AND HE WILL REPLY

THE MONKEY-FACED SIMIAN OF BADNESS ANSWERS QUESTIONS FROM THOSE IN DESPAIR. THIS IS BECAUSE THOSE IN DESPAIR HAVE WRITTEN TO HIM. AND HE WILL ANSWER.

**Dear Mojo Jojo,**  
I am a budding villain but I just can't seem to get my evil fashion sense right. I've matched blue pointy sneakers with spandex leggings, over-the-top pants and a yellow flowing cape but people aren't afraid of me. I also smile a lot. What should I do?

**Captain USA, from USA**

*Dear Captain,*  
*Is this some sort of joke that you are playing on Mojo Jojo? Everybody knows that good guys wear their pants over the top of spandex leggings. Unless they are an over-the-top bad-guy like the Joker, which you may joke about but it is not funny. And the name? Do you think people will tremble at the name Captain USA? Bah! Get out of my sight you do-gooder. Or join the Amoeba Boys.*

**Dear Mojo,**  
I once made a catapult that fired damp belly-button fluff. What is the most dangerous device you have created?

**Janet Bangle from Dingleford**

*Dear J B,*  
*I once created a creation that could create an army of Mojo Jojos. Yes, I know, one of me is more than dangerous. But a whole army! Boy, that really scared the pants off.... erm, well actually no-one saw it work because it isn't finished yet. But I'm working on it.*

**Dear Mojo Jojo,**  
Surrender your entire evil empire to I, Ralphie Of Skagmere, terroriser of mice and eater of parsnips. D'ya hear me? I will not take no for an answer. And please could I have some rocket-powered rollerskates?

**Ralphie from Skagmere**

*Dear Ralphie,*  
*I am a little concerned by your tone of voice, not to mention your inclination for parsnips. To defeat me in mortal combat you will need to nurture some super-villain skills such as fierce red eyes, atomic beams and a buzzy electronic sound when you speak. But seeing as you said "please" when requesting rollerskates, I shall consider it... If you are good.*

**Dear Mojo Jojo,**  
I am an avid collector of cutesy-wootsy little fluffy dolls, and I think you are just adorable. Simply looking at your picture makes me feel all warm and snuggly. Where can I get a nice little Mojo Jojo cuddly toy from? I also like your ears.

**Philimena Bundy from Dorset**

*Philimena,*  
*You are very disturbing. And it is I who should be disturbing. Please don't write to me ever again. Or phone. Or follow me. Or disturb me.*

# BEYBLADE

If you want to be like the Team Blade Breakers then you need strategy. Strategy and tactics. Strategy, tactics and practice. The Beyblade Battle Association is always keen that its members should seek to improve their skills. So here Dizzy digs into her database...

## CHARACTERS ►►

Tyson is a bright young teenager who's not afraid to speak his mind and gets into more trouble than most boys his age. Although not very big, he is strong willed and fearless. He's curious and at times will act hastily. Even though he is not a born leader, his magnetic personality and self-confidence seem to gravitate people toward him. Tyson's Bit Beast is Dragoon and his style of play is aggressive.

At first Kai seemed a cold-hearted competitor and was Tyson's ultimate nemesis. As the leader of the Blade Sharks, he and his gang use their superior skills to win and steal their competitors' Beyblade equipment. But after Tyson challenged him to a battle, the two become team mates. Kai's Bit Beast is Dranzer. He takes no prisoners. He likes to keep his battles short, leaving his opponents wondering what hit them.

Max is the best friend any kid could have. He is bright, cheerful and always ready to take on a new Beyblade challenge. Max is a true strategist and when it comes to battling he is a strong competitor, always looking for a new angle or tactic to win. He is a master of the defensive move and his style is completely opposite to Tyson's. Max's Bit Beast is Draciel. The key to his fighting style is defence and strategy.

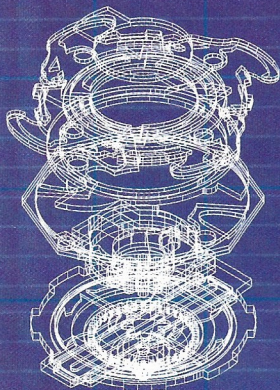

Ray is another member of Tyson's Bladebreakers team. Quiet and low-key, he is actually an incredibly confident young teenager. Ray always looks before he leaps, especially when it comes to Beyblade battles. The Bit Beast Driger powers Ray's Beyblade.

A computer nerd, Kenny possesses no athletic talent, he is never without his trusty laptop on which he has amassed every known statistic on Beybladers and their Beyblades. He can instantly call up any player's ranking, or a detailed analysis of the mechanical workings on any Beyblade in existence. Kenny's Bit Beast is Dizzara or 'Dizzy' who, owing to a freak power surge, now inhabits his computer and has knowledge of all other Bit Beasts, their strengths and weaknesses.

## DIZZARRA'S TRAINING TIPS AND HINTS. ►

### Launch

Pull the ripcord as hard as you can.

For a faster spin, use a long ripcord like the dragon ripcord and launch it down the slope of the stadium to increase your blade's velocity.

### Attack

Use the biggest attack ring with the heaviest weight ring, which will give you stability. Add an attack base for heavy hitting.

### Defence

For the ultimate defence Beyblade try using Draciel's base, Galman's weight disk and Galman's attack ring. This should give you a total of 10 on defence.

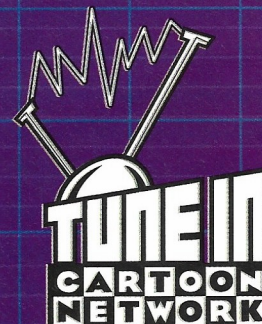

### Endurance

Use a Draciel top invoking the Special Power Spirit rule #2 which states "Draciel (Turtle Spirit) Delay launch = Launch your Beyblade top 5 seconds after your opponent launches theirs" Not even the strongest attack can stand against this.

### Combination

Customise your Beyblade starting with Dranzer's blade base. This enables you to switch between attack and endurance strategies. Dragoon Storm's left spin will set your opponents off-balance. Lastly, Driger's weight disk and attack ring to make your blade a multi-strategy top that can not only take it, but give it, too. Combine this with a deluxe launcher and you have an unbeatable combination

Above all, no matter what your blade, be confident in yourself.

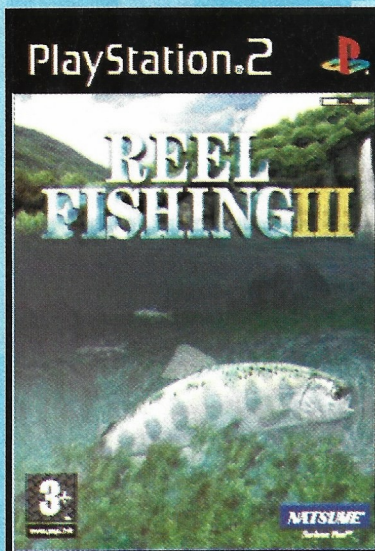

Weekdays at  
08:00 & 17:00,  
Weekends 11:00  
& 17:00 from  
1st September
